

## Cookie policy

Last updated 10.07.2024

Cookies are small files that can be automatically stored in your browser's memory by our Website, if you agree. Using cookies allows the Website to access and retrieve stored information on your computer as needed.

On our Website we use cookies and other monitoring technologies to see how you use our Website and our services and provide you with a good experience when you browse our Website and use our services, to distinguish you from other users and to improve the Website and our services. Sometimes we allow third parties to use their cookies on our Website in accordance with our Privacy Policy.

We use the following cookies:

Strictly necessary cookies - these are the cookies that are required for the operation of our Website. By using these cookies, we ensure that the Website works correctly and that it is safe to use it:

<b>Domain</b>	<b>Name</b>	<b>Description</b>	<b>1st or 3rd party</b>
knockin.ptsecurity.com	NEXT_LOCALE	Code of the user-selected interface language	1 <sup>st</sup>
knockin.ptsecurity.com	knockin.session	JWT token with user session information	1 <sup>st</sup>
knockin.ptsecurity.com	knockin.callback	Redirect address after user authorization	1 <sup>st</sup>
knockin.ptsecurity.com	knockin.csrf	CSRF token necessary for secure authentication mechanism and CSRF attack protection	1 <sup>st</sup>
knockin.ptsecurity.com	cookies_agreed	Recording the fact of user notification about the use of cookies on the site	1 <sup>st</sup>

Analytical cookies - these are the cookies that allow us to recognize and count the number of visitors and to see how visitors move around our Website when they are using it. This helps us to improve the way our Website works, for example, by ensuring that users are finding what they are looking for easily. Information that we receive from such cookies is aggregated and anonymous:

Домен	Имя cookie-файла	Описание	1st или 3rd party
Yandex.ru	_ym_d	Stores the date of the visitor's first visit to the site	3rd

Yandex.ru	is_gdpr_b	Allows distinguishing visitors from the GDPR zone	3rd
ptsecurity.com	_ym_isad	Allows counting the number of visitors and traffic sources to evaluate and improve the site's performance	3rd
Yandex.ru	is_gdpr	Allows distinguishing visitors from the GDPR zone	3rd

Most browsers automatically save cookies, but you can always change your browser settings to manage, delete and block cookies. You can block or delete cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. It may also be possible to opt out of receiving any, or all of cookies using the link in our cookie banner (if available). However, if you use your settings to block all cookies (including essential cookies) you may not be able to access all or parts of our Website and we will not be able to provide services for you.

We can change the abovementioned list of cookies from time to time. If you have any questions regarding our policy on cookies please contact us by e-mail at [pt@ptsecurity.com](mailto:pt@ptsecurity.com).
